

## How a Certificate in Injury Science Can Jumpstart Your Career

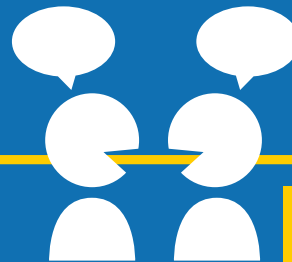

### TAKE INJURY COURSEWORK

By completing the required CORE and ELECTIVE coursework and a practicum, you will gain valuable injury-specific knowledge and experience to prepare you for a career in injury prevention.

### DECLARE YOUR CERTIFICATE

Declaring your certificate in injury science will allow us to better monitor your progress, stay in touch, and keep you on track to finish your certificate.

### MEET PEOPLE CURRENTLY WORKING IN INJURY PREVENTION

Your affiliation with the IPC connects you to a network of the top injury prevention researchers and practitioners in the country.

Make connections with staff and faculty at the Injury Prevention Center, MDHHS, and other community organizations.

### LET OUR NETWORK OF INJURY PROFESSIONALS HELP YOU IN YOUR JOB SEARCH

### GRADUATE WITH YOUR CERTIFICATE!
