

# **WATER WATCHER**

While wearing this tag, I agree to actively supervise  
the children in the water.  
I will keep them in my sight at all times.

**I will not leave the water area without finding a  
responsible adult to replace me.**

*A child who is drowning may not be able to yell  
or splash to get your attention.*

# Water Safety Tips

- When the pool is not in use, lock gates, remove ladders, and keep toys out of the area.
- Floatation devices are not a substitution for supervision.
- Stay within arm's reach of young children.
- Teach children how to swim.
- Be aware of water and weather conditions, especially when swimming in open water.
- Know what to do in an emergency.
- Dress children in bright swimwear.
